## **CRITICAL INCIDENTS**

**Structure Fire / Loretta Ave** - On 1/19/26 at 8:10 p.m., Blackman-Leoni Department of Public Safety was dispatched to a structure fire in the 3000 Block of Loretta Avenue in Blackman Township. The homeowner called 911 and reported that he had a 4 seasons room on the back of his residence that was on fire.

Upon arrival, crews encountered heavy flames on the back of the residence. The fire was knocked down; however, the residence sustained heavy fire, smoke, and water damage on the back of the residence.

The homeowner reported having a space heater running in the 4 seasons room, which investigators believe was likely the cause. Jackson City Fire and Summit Township Fire assisted on scene.

**Felony Assault / Sumac Ct.** – On 1/21/26 at 10:14 p.m., Blackman units were dispatched to TAC Manufacturing for a report of two males physically fighting inside that factory. Upon arrival, officers made contact with one male subject who expressed concern for his friend and advised that no physical contact had occurred. He reported that his friend appeared to be experiencing a mental health crisis related to schizophrenia and had been running toward him and yelling, but without making physical contact.

The subject left TAC without a shirt or shoes. While officers were gathering information, a text message was shown to officers from the subject's girlfriend stating that police needed to respond immediately because he had a gun in front of his mother.

At the same time, the subject's mother contacted police reporting that her son had a firearm and was pointing it at her. The mother and a juvenile family member were able to run outside the residence and were positioned behind patrol vehicles for safety. The subject followed them outside while holding the firearm.

Officers ordered the subject to the ground at gunpoint. He threw the firearm and complied with commands. The firearm was later determined to be an airsoft gun.

The subject was taken into custody and transported to JSO for two counts of felonious assault (domestic related). Both victims stated they believed the firearm was real and feared for their lives. They reported that the subject arrived home from work with the gun in his waistband, removed it, pointed it at the mother's head, and threatened to kill them. Both stated they were standing next to each other at the time and felt their lives were in danger.

The mother advised that the subject has schizophrenia and may have been unmedicated for approximately one week. She referenced prior episodes but stated none had escalated to this level.
